

ANNEX 2 - Back end Laravel

Here is some extra data to help you work through your back end journey and make it awesome.

Here is the dreaded flow chart, made easy. I left just the important steps. You will fill in the gaps as you work your way up the learning curve and it will come naturally, rather than scary.

And here are some charts with the difficulty level of the front end technologies.

must have	1
should have	2
nice to have	3
